Lion Safety Management System

Document Title: Quality Policy
Responsibility: Senior Management

Quality Policy

Lion Safety Ltd, based in Falkirk, offers a range of protective workwear and footwear. Lion Safety Ltd recognises that the disciplines of quality, health & safety and environmental management are an integral part of its management function.

This company undertakes to supply only safety equipment and/or related services that fully comply with the standards and regulations and claims made relating to those products and/or related services. Where appropriate, this company will maintain up to date technical files and associated documentation to ensure that regulatory compliance information can be supplied upon request. Where products are sourced from external organisations which hold technical files relating to the products being offered, this company will request confirmation that these files are current, complete, contain appropriate conformity assessment information and, where relevant, regulatory compliance certificates and will take all necessary steps to confirm the validity of the compliance documentation held by that external supplier in respect of the products being sourced. Where services are provided related to safety equipment sourced from external organisations, this company will maintain approval from the manufacturer that the services provided are assessed and approved by the external organisation

Lion Safety Ltd is committed to:

- Safeguarding the quality of our products and services by working closely with our customers and suppliers. We will establish the highest quality standards, both in the products we supply and the service we provide.
- Meeting and exceeding the requirements and expectations of our customers
- Complying with all applicable laws, regulations and other requirements to which we subscribe.
- Developing quality objectives and to regularly monitor our performance against them.
- Continual improvement.

In order to achieve these commitments, Lion Safety Ltd has developed a management system which meets the requirements of ISO 9001 and has developed a framework for setting and reviewing quality objectives. Lion Safety Ltd will comply with our management system requirements whilst improving its effectiveness.

This policy is communicated to all employees and personnel working on behalf of the company and is available for review by any interested party upon request.

It is the Company's belief that, in operating to these standards, it will meet the requirements of its Customers and the Industry.
